

## **DESCRIPTION OF SERVICES**

### **METALLURGICAL SERVICES**

- *Corrosion Engineering*
- *Materials Selection*
- *Failure Analysis*

### **INSPECTION MANAGEMENT SERVICES**

- *Production Equipment*
- *MODU's/Platforms*
- *Marine Equipment*

### **WELDING**

- *Welding Specifications Procedures, Qualifications, and Evaluations*
- *Welding Research*

### **COMPOSITE AND POLYMER MATERIALS**

- *Suitability for Purpose Evaluation*
- *Product Development*
- *Process Evaluation*
- *Applications Engineering*
- *Materials Analysis and Testing*

### **FORENSIC & LEGAL SERVICES**

- *Expert Witness*
- *Engineering Reviews, Audits, and Safety Reviews*

### **RESEARCH & DEVELOPMENT**

- *Environmental Cracking Studies*
- *Corrosion Research*
- *Pilot & Simulation Tests*
- *Joint Industry Projects*

### **TRAINING SEMINARS**

- *Materials/Metallurgy/Corrosion*
- *Welding & Inspection*
- *Failure Analysis and Prevention*

### **PRODUCT DEVELOPMENT**

- *New Product Development*
- *Product Improvement*
- *Elastomers Testing*
- *Pressure Testing Capabilities*
